**Re: West Farm Pit, Permit No. M-2008-078, Financial Warranty Reduction Approval
Revision No. SR-01**

Dear Mr. Nyquist:

On March 23, 2015, the Division of Reclamation, Mining and Safety (Division) approved your request for a Financial Warranty Reduction to **\$561,037.06**. This is a reduction of \$382,908.94 to eliminate 20% of the costs for slurry wall construction as its final design has been approved by the SEO, and the performance test final report was submitted to the Division. This decision reduces the amount of the Financial Warranty, and does not approve any release of reclamation responsibility for the tasks associated with this request.

Please provide a rider to the current Financial Warranty, or submit a new Financial Warranty reflecting this reduction. If you wish to submit a different type of Financial Warranty, or have any questions regarding the Financial Warranty, please contact Barbara Coria by telephone at 303-866-3567, extension 8148, or by email at barbara.coria@state.co.us.

If you need additional information, please contact me at the Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at 303-866-3567, extension 8129, or by email at amy.eschberger@state.co.us.

Sincerely,
