**Re: Roadside Portals (Permit No. C-1981-041)
Proposed Decision - Technical Revision No. 65 (TR-65)
Final Outlet Design for East Diversion Ditch #2.**

Dear Ms. Hammond:

Enclosed you will find the Division of Reclamation, Mining and Safety's Proposed Decision for Technical Revision No. 65 at the Roadside Portals. Notice of the proposed decision will be published in the *The Daily Sentinel* as soon as possible. The first publication will initiate the ten (10) day public comment period for the Division's decision.

Documentation must be submitted to the Division demonstrating that a copy of the approved revision application was sent to the Office of Surface Mining and the Bureau of Land Management. The material should be sent within 15 days of final approval.

Please refer to the Performance Bond heading on the enclosed proposed decision form. If the amount of Bond Held equals or exceeds the Revised Liability, you need not submit additional bond. However, if the Revised Liability exceeds the Bond Held, please submit additional bond or rider to your existing bond that equals or exceeds the Revised Liability. This Technical Revision must not be implemented until this proposed decision becomes final and until any required increase in bond is submitted to and approved by the Division.

If there are stipulations attached, please sign and return the proposed decision form to the Division.

If you have any questions, please contact me.

Sincerely,

Brock F. Bowles
Environmental Protection Specialist
