***RE: Conger Harvest Area, Permit No. M-1998-022, Acreage Reduction Request (AR-3) Approval***

Dear Mr. Gutierrez:

On April 6, 2015 the Division of Reclamation, Mining and Safety (Division) approved your request to release the privately owned acreage from the permit area. The Division inspected the site on December 11, 2014 and found that reclamation of the private acreage was adequate.

Your permit area now includes only the 23.33 acres of USFS land.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,

**Dustin Czupla**
