

Public Notice

The Division of Reclamation, Mining and Safety, in accordance with Title 34, Article 33, of the Colorado Revised Statutes, hereby issues notice that on April 10, 2015, a minor revision application (MR-28) to the Terror Creek Loadout, Permit No. C-1983-059, operated by Terror Creek LLC, 43440 Bowie Road, Paonia, CO 81428 was considered complete for the purposes of filing. Terror Creek, LLC has submitted a Minor Revision to the Terror Creek Loadout permit. The revision proposes to add three groundwater monitoring boreholes on the southern edge of the permit adjacent to the railroad tracks. These boreholes will be drilled within the permit area on ground that has already been disturbed. There will be an increase in the mine's reclamation liability. This increase will be determined during technical adequacy. The applicant is not proposing additional surface disturbance outside of the area currently approved for disturbance. All reviews and comment periods as provided in the Act and Regulations promulgated thereunder initiate from this date of filing.
