Re: M-2012-032 Revenue Mine
TR-05 Submittal for Modification to Mine Permit

REQUEST FOR EXTENSION

Dear Mr. Oswald,

This letter is a request for extension to supply the information you requested for TR-05 in your adequacy letter of March 19, 2015. We request that the deadline for the review be extended until April 25, 2015.

Also, some new information will be added to TR-05 regarding structures on site that have not yet been included in Amendment #1. We feel that the appropriate way to deal with this is to include this new information from TR-05 in the adequacy for the Amendment #1 response, so that the Amendment document is completely up to date.

If you have any questions or concerns, please feel free to contact me anytime.

Best regards,

Dianna Stoopnikoff
Environmental Relationships Manager
