

### Public Notice

The Division of Reclamation, Mining and Safety, in accordance with Title 34, Article 33, of the Colorado Revised Statutes, hereby issues notice that on May 14, 2015, a minor revision application (MR-93) to the New Horizon Mine, Permit No. C-1981-008, operated by Western Fuels-Colorado, LLC, P.O. Box 628, Nucla, CO 81424 was considered complete for the purposes of filing. The minor revision requests that bench 1 base material be removed from the northern end of the BB Detour Road and stockpiled adjacent to Pond 011. This material will then be utilized to reclaim Pond 011. Also requested is that the northern 300 feet of the BB Detour Road not receive topsoil until the adjacent Pond 011 is reclaimed. The applicant is not proposing additional surface disturbance outside of the area currently approved for disturbance. All reviews and comment periods as provided in the Act and Regulations promulgated thereunder initiate from this date of filing.
