RE: Gold Basin Mine, Permit No. M-1992-045, CN-1 Decision Date Extended

Mr. Robinson:

As you know, the initial published public notice for the 112 Conversion application contained an error. Therefore, new public notice was required. To allow additional time for the public notice, comment period and office consideration, the Division has extended the decision date for the CN-1 application to May 27, 2015.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,

Dustin Czaplak
