**Re: Project, Permit No. M-1980-244;
1st Quarter 2015 Groundwater Monitoring Data Report Deficiency**

Dear Mr. Comer:

On May 4, 2015 the Division of Reclamation, Mining and Safety (Division) received the Ground Water Monitoring Data 1st Quarter 2015 report. The Division believes at least five quarters of monitoring data are available for the new monitoring wells in Arequa Gulch (CRMW 5 series), but his data is not included in the report. Please provide the Division with an amended report to include the CRMW 5 series data by June 8, 2015.

If you have any questions or need further information, please contact me at (303)866-3567 x8169.

Sincerely,
