**Re: Tiger Timber Site, Permit M-1991-082;
Financial Warranty Increase, Revision No. SI-1**

Dear Mr. Laughrey:

On May 11, 2015 the Division of Reclamation, Mining and Safety increased the current Financial Warranty for this permit to \$14,440.00, in accordance with Rule 4.2.1 of the Rules and Regulations. This is an increase of \$ \$4,440.00 over the currently posted Financial Warranty. This surety increase is being sent to you as the transfer of the permit to Tiger Timber and Gravel, LLC was denied by the Division due failure to submit the required financial warranty.

The Division ordered amendment of the current Financial Warranty, or submittal of a new Financial Warranty reflecting the increase, is due within 60 days from the date of this letter. If you wish to submit a different type of Financial Warranty, please contact me such that I may send you the applicable form. A copy of the reclamation cost estimate is attached.

If you have any questions or need further information, please contact me at (303)866-3567 x8169.

Sincerely,

Timothy A. Cazier, P.E.
Environmental Protection Specialist
