DIVISION OF RECLAMATION
MINING AND SAFETY

Division of Reclamation, Mining, and Safety Staff,

Lincoln County operates a gravel pit on my property. It is called the Burgess pit. This letter is to advise you that I am giving permission to the County to use the ranch road that exits to the Northwest aspect of the site as haul road.

I would also like to request that this road remain so that we may use it for our farming operation after mining operations have ceased, and the reclamation of the gravel pit is complete.

Kyle Newsom (landowner)
