**Re:    Midwestern Farms, Permit No. M-1993-059, 30-Day Extension Request Approved**

Dear Ms. Herbolsheimer:

On June 02, 2015, the Division of Reclamation, Mining and Safety (Division) received your request to extend the deadline for submitting an updated Performance Warranty and Correspondence Information for this permit (as requested by the Division on April 02, 2015). It is the Division's understanding that Midwestern Farms is working on an agreement with Eastern Colorado Aggregates, RLLLP (ECA) that will determine whether a Succession of Operators application will be submitted to transfer the permit to ECA. The Division has approved an additional 30-day extension, giving a new deadline of **July 02, 2015**.

If you have any questions, please contact me at 1313 Sherman Street, Room 215, Denver, CO 80203, call me at (303) 866-3567, extension 8129, or email me at [amy.eschberger@state.co.us](mailto:amy.eschberger@state.co.us).

Sincerely,

Amy Eschberger  
Environmental Protection Specialist
