RE: Quist Mining, NOI File No. P-2015-008; NOI Approval with Financial Warranty Due

Dear Mr. Dorris,

The Division of Reclamation, Mining and Safety (Division) has completed the review of your Notice of Intent to Conduct Prospecting (NOI) application. The NOI application was approved on June 4, 2015. Staff has determined based on the projected costs of reclamation (copy enclosed), that the required financial warranty amount is \$3,410.00. The Division has been informed by the US Forest Service (USFS) that they hold a \$900.00 bond. As such, the remaining \$2,510.00 financial warranty must be submitted to the Division on the appropriate Mined Land Reclamation Board approved forms which are available from our office or can be downloaded from our website at <a href="www.mining.state.co.us">www.mining.state.co.us</a>.

Please be aware that because this project is located on USFS managed land, the Division requires the Plan of Operations filed with the US Forest Service (USFS) must be kept current.

Please be advised that you may not commence operations until the financial warranty has been submitted and accepted by our office. You will be notified in writing when it is accepted. If we do not receive the required financial warranty within 60 days of the date of this letter, then the NOI may be terminated.

If you have any questions, please contact me at (303)866-3567 x8169.

Sincerely,

Timothy A. Cazier, P.E.
