

Public Notice

The Division of Reclamation, Mining and Safety, in accordance with Title 34, Article 33, of the Colorado Revised Statutes, hereby issues notice that on June 8, 2015, a minor revision application (MR-411) to the West Elk Mine, Permit No. C-1980-007, operated by Mountain Coal Company, LLC, P.O. Box 591, Somerset, CO 81434 was considered complete for the purposes of filing. The Mountain Coal Company, LLC has submitted a Minor Revision to the West Elk Permit. The revision proposes to incorporate a new map into the permit showing as-built information for methane drainage well pads and roads for the E-Seam mining. There are no proposed changes to the mine's permit area, affected area or disturbed area as a result of this revision. The applicant is not proposing additional surface disturbance outside of the area currently approved for disturbance. All reviews and comment periods as provided in the Act and Regulations promulgated thereunder initiate from this date of filing.
