RE: CM-25, File No. P-2009-021, Surety Release Request (SL-01), Approval

Dear Mr. Sheridan:

On June 15, 2015 the Division of Reclamation, Mining and Safety (Division) received a request for release of reclamation responsibility for the above referenced site. Division staff inspected the site on April 29, 2015 and determined that the Operator has successfully complied with the requirements of the Act, Rules and Regulations, and the approved Reclamation Plan, and that the site is ready to be released from any further reclamation responsibility. The Division has approved the full surety release, SL-01, for NOI file no. P-2009-021.

According to Rule 1.4.11(1)(b), the Division must wait 30 days from the date of this letter, before releasing the financial warranty, in order to address any comments or objections to this decision. If you have not received the financial and performance warranties by July 15, 2015, please contact Barbara Coria at (303) 866-3567, ext. 8148.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,

Dustin Czaplak
