Dear Ms. Van Egmond:

On July 10, 2015 the Division of Reclamation, Mining and Safety approved the Technical Revision application submitted to the Division on February 27, 2015, addressing the following:

*Update and clarify current approved mine and reclamation plans to reflect existing and proposed activities.*

The terms of the Technical Revision No. 2 approved by the Division are hereby incorporated into Permit No. M-1991-080. All other conditions and requirements of Permit No. M-1991-080 remain in full force and effect.

A bond estimate calculation was included with the July 7, 2015 inspection report. The new bond estimate is \$9,360. As discussed during the July 7 inspection, the Division will send a separate Surety Increase letter for the new bond.
