RE: South D-20 Pit, Permit No. M-1992-102, Technical Revision (TR-2) Request

Mr. Supples:

On June 22, 2015 the Division of Reclamation, Mining and Safety (Division) received your request for a Technical Revision (TR-2) to Permit # M-1992-102. TR-2 addresses importation and storage of used asphalt and concrete for recycling, and importation and storage of rip-rap boulders. Please inform the Division of the maximum volume of each of these materials, in cubic yards, that are anticipated to be stored on site at any given time.

Please submit this information by July 31, 2015.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,

Dustin Czapla
