Dear Mr. Stover:

We have received your minor revision application to revise your permit to conduct coal mining in Colorado. Thus, your application has been considered complete for the purposes of filing as of July 29, 2015. All review and comment periods as provided in the Act and the Regulations initiate from this date of filing.

The Division is currently reviewing your revision application to determine whether the items you have submitted are adequate in terms of meeting the requirements of the Act and Regulations. The Division will either issue a decision or inform you of adequacy issues regarding the application on or before August 8, 2015.
