Dear Mr. Czapla,

Montrose County respectfully requests that the Division of Reclamation, Mining, and Safety extend the decision date for the above referenced 112 Permit Amendment Application to **August 14, 2015**. In the mean time, additional items outlined in Wally Erickson's inspection report dated May 5, 2015 (received by Montrose County May 12, 2015) will be addressed by the applicant and provided to your office by July 31, 2015.

I personally thank you for your patience and understanding in this matter for reasons discussed this morning. Please contact me directly if you have any questions or need additional information.

Sincerely,

Dean L. Cooper, P.E.
