Permit Procedures - Effective July 1, 2014

 New Procedures - Effective July 1, 2014

The Division of Reclamation, Mining and Safety will no longer send out second or final notices for past due Annual Fees. In accordance with the Colorado Mined Land Reclamation Act for the Extration of Construction Materials (C.R.S. 34-32.5-101), the Office will send out a single notice for the payment of Annual Fees and submital of an Annual Report and Map. The report and fee are due on the anniversary date of the permit issuance. Where an operator is late in payment of the Annual Fee by more than sixty (60) days, the Division Board will automatically issue a violation and set the matter for a hearing before the Mined Land Reclamation Board for permit revocation and forfeiture. If a violation is issued, civil penalties equal to the amount of the annual fee will also be assessed.

For sites covered under the Colorado Mined Land Reclamation Act (C.R.S. 34-32-101), the same procedure will apply, however, if payment is late by more than sixty (60) days, the operator will be issued a "Reason to Believe that a Violation Exists" letter, which will set the matter for a hearing before the Mined Land Reclamation Board for consideration of a possible violation.

Thank you for your cooperation in implementing these new procedures and if you have any questions, please contact: Tony Waldron, Minerals Program Supervisor at 303-866-3567 x8150.

Under the terms of your Reclamation Permit and Colorado Statutes, you must submit an Annual Fee and Annual Report (including a map). You must pay the Annual Fee and submit an Annual Report each year until reclamation responsibility release is granted. The Annual Fee is not a renewal fee. The Fee and Report are for LAST YEAR'S mining and reclamation season, and MUST be paid even if your operation was inactive.

The Annual Report and Fee requirement will be considered submitted when we have received the following components:

1. **APPROPRIATE ANNUAL FEE**
2. **COMPLETED ANNUAL REPORT**
3. **ASSOCIATED MAP as required by rule**

If you have requested reclamation responsibility release from the Division of Reclamation, Mining and Safety (the "Division") but your permit is not released by the anniversary date listed below, the Annual Fee MUST be paid. If the permit is released before the anniversary date, then by Statute, it is not necessary to pay an Annual Fee or submit an Annual Report for that year.
