

Public Notice

The Division of Reclamation, Mining and Safety, in accordance with Title 34, Article 33, of the Colorado Revised Statutes, hereby issues notice that on August 10, 2015, a minor revision application (MR-413) to the West Elk Mine, Permit No. C-1980-007, operated by Mountain Coal Company, LLC, P.O. Box 591, Somerset, CO 81434 was considered complete for the purposes of filing. The Mountain Coal Company, LLC has submitted a Minor Revision to the West Elk Mine's permit. The revision proposes changes to several pages of text to update verb tenses and change the way coal reserves are presented, including updating the coal reserve numbers. These changes are administrative in nature. There are no proposed changes to the mine's permitted, affected or disturbed acreages in this revision. There will be no change to the mine's reclamation liability as a result of this revision. The applicant is not proposing additional surface disturbance outside of the area currently approved for disturbance. All reviews and comment periods as provided in the Act and Regulations promulgated thereunder initiate from this date of filing.
