

### Public Notice

The Division of Reclamation, Mining and Safety, in accordance with Title 34, Article 33, of the Colorado Revised Statutes, hereby issues notice that on August 25, 2015, a minor revision application (MR-289) to the Foidel Creek Mine, Permit No. C-1982-056, operated by Twentymile Coal, LLC, 29515 Routt County Road No. 27, Oak Creek, CO 80467 was considered complete for the purposes of filing. Minor Revision No. 289 requests approval for the installation, operation and reclamation of a new emergency air borehole, to be located over the Wolf Creek 10-East gateroad. The purpose of the borehole is to obtain additional geologic information and to provide an emergency air-hole for air, supplies, and communication in this portion of the Wolf Creek Reserve. The applicant indicated the proposed borehole will not require the construction of a new road; however a new borehole pad will be constructed. The applicant is proposing to disturb and additional 1.5 acres for the construction, operation and reclamation of this borehole. The proposed location of this borehole is in the south west quarter of Section 10 of Township 5 North, Range 86 West of the 6th principal meridian. The applicant is proposing additional surface disturbance outside of the area currently approved for disturbance. All reviews and comment periods as provided in the Act and Regulations promulgated thereunder initiate from this date of filing.
