Re: White River Pit, Acreage Reduction Approval, Permit No. M-2008-070, Revision No. AR-1

Dear Mr. Spaeth:

On September 14, 2015, the Colorado Division of Reclamation, Mining and Safety approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 185.33 acres, through the release of 6.5 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any questions, please contact me at (970) 241-2042.

Sincerely,

Travis Marshall
Environmental Protection Specialist
