**Re: Foidel Creek Mine (Permit No. C-1982-056)  
Minor Revision No. 289 (MR- 289)  
10 East Mid Panel Emergency Air Borehole.**

Dear Mr. Nettleton:

Enclosed you will find the Division of Reclamation, Mining and Safety's Decision Form for Minor Revision No. 289 at the Foidel Creek Mine.

Documentation must be submitted to the Division demonstrating that a copy of the approved revision application was sent to the Office of Surface Mining and the Bureau of Land Management. The material should be sent within 15 days of final approval.

Please refer to the Performance Bond heading on the enclosed decision form. If the amount of Bond Held equals or exceeds the Revised Liability, you need not submit additional bond. However, if the Revised Liability exceeds the Bond Held, please submit additional bond or rider to your existing bond that equals or exceeds the Revised Liability. This Minor Revision must not be implemented until any required increase in bond is submitted to and approved by the Division.

If there are stipulations attached, please sign and return the decision form to the Division.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in blue ink, reading "Jared Ebert". The signature is fluid and cursive, with a long horizontal stroke extending from the end.

Jared L. Ebert
