

### Public Notice

The Division of Reclamation, Mining and Safety, in accordance with Title 34, Article 33, of the Colorado Revised Statutes, hereby issues notice that on October 1, 2015, a minor revision application (MR-414) to the West Elk Mine, Permit No. C-1980-007, operated by Mountain Coal Company, LLC, P.O. Box 591, Somerset, CO 81434 was considered complete for the purposes of filing. MR-414 seeks to add the installation of a buried concrete vault to the pipeline project previously approved with MR-409. The vault will be approximately 4' x 6' x 4', and accessed through a manhole. Since the vault will be within the disturbed area, and buried, there will be no additional cost for reclamation. The applicant is not proposing additional surface disturbance outside of the area currently approved for disturbance. All reviews and comment periods as provided in the Act and Regulations promulgated thereunder initiate from this date of filing.
