Hi Tim.

Let's extend for another 30-days in order for us to have time to address the comments and time for DRMS staff to review our responses. I will call you early next week to discuss.

Thank you.

David

David,

A hard copy of the attached pdf file will be sent with tomorrow's mail. Assuming you still wish to pursue the revision, another decision date extension will be needed and we should discuss mitigation options with respect to the requested variance.

I will be in the field after 10:30 am tomorrow (Friday) and Monday (10/12) is a State holiday. I will be back in the office Tuesday.
