Re: Bowie No. 2 Mine (Permit No. C-1996-083)
Revision: TR-105
Gob Pile No. 3 Expansion

Dear Sir or Madam:

The Division of Reclamation, Mining and Safety has received an application for the above referenced permitting action for the Bowie No. 2 Mine. The application was deemed complete on October 26, 2015.

Technical Revision No. 105 proposes to expand the currently approved Gob Pile No. 3 to the east. Currently, the area proposed for expansion serves as the drying area for Gob Pile No. 3 and is within the currently approved disturbed area boundary. The applicant is not proposing additional surface disturbance outside of the area currently approved for disturbance.

Permit Revision (PR), Permit Renewal (RN), or Technical Revision (TR) application materials are available for review at the Paonia Public Library, 2 3rd Street, Paonia, CO 81428 and at the Division's Denver office. Minor Revision (MR) and Surety Release (SL) application materials are available for review at the Division's Denver office.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jason D. Musick", with a stylized, cursive script.
