**Re: East Douglas Pit, Permit No. M-1987-103, 110 Construction Materials Reclamation
Permit Amendment Application Package, AM - 2, Preliminary Adequacy Review**

Joseph (Joby) Venuti:

The Division of Reclamation, Mining and Safety (DRMS) is in the process of reviewing the above referenced application in order to ensure that it satisfies the requirements of the Colorado Mined Land Reclamation Act (Act) and the associated Mineral Rules and Regulations of the Colorado Mined Land Reclamation Board for Construction Materials (Rules). During review of the material submitted, the Division determined that the following issue(s) shall be adequately addressed before the application can be considered for approval.

Rule 6.3.5 Exhibit E - Maps

Please submit both Mining and Reclamation Plan maps that comply with the requirements of rule 6.3.5.

Please submit your response(s) to the above listed issue(s) by November 16, 2015, in order to allow the Division sufficient time for review prior to the November 23, 2015 decision date. If additional time is required to respond to the issues a request to extend the decision date must be submitted no later than November 16, 2015 or the application may be denied. The Division will continue to review your application and will contact you if additional information is needed.

If you require additional information or have questions or concerns, please contact me at the DRMS Grand Junction Field Office at phone no. (970) 241-2042.

Sincerely,

Travis Marshall
Environmental Protection Specialist
