

ACE WEST TRUCKING INC., 710 South 15th Street, Grand Junction, Colorado, has filed an application for a Construction Materials Limited Impact (110) Reclamation Permit with the Colorado Mined Land Reclamation Board under provisions of the Colorado Land Reclamation Act for the Extraction and Construction of Materials. The existing mine is known as the East Douglas Pit, and is located at or near Section 35, Township 2S, Range 101W, 6th Prime Meridian.

The proposed date of commencement for the expansion is November of 2016 and the proposed date of Completion is November of 2046. The proposed future land use is rangeland.

Additional information and tentative decision date may be obtained from the Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, 303-866-3567, or at the Rio Blanco County Planning Department, 200 Main Street, Meeker, CO, 81641, 970-878-9456, or at the above-named application. A complete copy of the application is available at the above-named County Planning office and at the Division's office.

Comments concerning the application and the exhibits must be in writing and must be received by the Division of Reclamation, Mining and Safety by 4:00 pm, October 26, 2015.

Please note that under provisions of C.R.S. 34-32.5-101 et seq. Comments related to noise, truck traffic, hours of operation, visual impacts, effects on property values and other social or economic concerns are issues not subject to this Office's jurisdiction. These subjects and similar ones are typically addressed by your local governments, rather than the Division of Reclamation, Mining, and Safety or the Mined Land Reclamation Board.
