

### Public Notice

The Division of Reclamation, Mining and Safety, in accordance with Title 34, Article 33, of the Colorado Revised Statutes, hereby issues notice that on October 28, 2015, a minor revision application (MR-290) to the Foidel Creek Mine, Permit No. C-1982-056, operated by Twentymile Coal, LLC, 29515 Routt County Road No. 27, Oak Creek, CO 80467 was considered complete for the purposes of filing. This revision requests to relocate the existing Coal Refuse Disposal Area topsoil stockpile from its current location to a previously disturbed reclaimed area near the main facilities area. Site preparation will be limited to construction of a short access road segment from the existing Refuse Haulroad, minor grading of the existing disturbed areas where the topsoil pile will be placed, removal of soil and suitable cover material from the new stockpile area, and minor grading of the southern portion of the stockpile area to establish a suitable foundation. The revision requests to disturb 5.2 acres of previously reclaimed land. This activity will require an increase in reclamation liability. The applicant is proposing additional surface disturbance outside of the area currently approved for disturbance. All reviews and comment periods as provided in the Act and Regulations promulgated thereunder initiate from this date of filing.
