Notice to Parties and Interested Persons

RE: Rescheduled Pre-hearing Conference, Dollerschell Pit, Permit No. M-1986-074

Dear Party and/or Interested Person,

In a previous notice from the Division of Reclamation, Mining and Safety (Division), dated October 23, 2015, you were informed of a recommendation and the date of the Pre-hearing Conference for a conversion application to the above referenced application. This correspondence supersedes the Division's previous correspondence. The recommendation has not changed, however, the date of the Pre-hearing Conference has changed, as clarified below.

Pursuant to Rule 2.7.1, the Division has scheduled a Pre-hearing Conference to occur **November 5, 2015**, in the "Second Floor Meeting Room" at the old Logan County Courthouse at 315 Main Street, Suite 2, Sterling, Colorado 80751, beginning at 10:00 a.m. and terminating at or before 12:00 p.m. The Pre-hearing Conference will be held to describe the Division's review process, to explain the rights and responsibilities of parties, to discuss and resolve issues to the extent possible, to describe the Board Hearing processes, to propose a list of issues under the Board's jurisdiction, to simplify that list, and to identify parties.

All parties and interested persons who intend to participate in the Board hearing are strongly encouraged to attend the Pre-hearing Conference. Pursuant to Rule 2.7.3(4), any party who does not attend the Pre-hearing Conference forfeits its party status and all associated rights and privileges, unless such party provides a fully executed proxy authorization form to the Pre-hearing Conference Officer and the party's authorized representative is present. An official proxy authorization form was provided with the materials accompanying the October 16, 2015 notice from the Division. Additional copies of the official proxy authorization form may be obtained through the Division's web site at <http://mining.state.co.us>. The Board has appointed Bruce K. Stover to preside as the Pre-hearing Conference Officer.
