Re: Mid-Continent Quarry (Permit M-1982-121) – Rescission of Recent TR-4

Dear Ms. Yeldell:

This is to confirm that, for the reasons addressed in the transmitting e-mail, CalX Minerals is hereby rescinding its Technical Revision application of September 30, 2015.

Please also note that CalX's record address is as set forth above. (That is to say, we no longer receive mail at 2080 W. Hamilton Place, in Sheridan, Colorado.)

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Peter Babin". The signature is fluid and cursive, with the first name "Peter" and last name "Babin" clearly distinguishable.

Peter Babin,
Chief Executive Officer, CalX Minerals, LLC
