-

NOTICE OF PROCEDURES

After the application is considered "filed" (pursuant to Rule 1.1(10)) with the Mined Land Reclamation Division, notice procedures outlined in Rule 2.2 must be followed. (Format for such notices will be included in the letter you receive from the MLR staff informing you of the Completeness ("filing") of your application.)

COLORADO WATER LAWS

The permittee is encouraged to contact the State Engineer, with regard to the administration of water rights, and the Colorado Department of Health, with regard to the discharge of pollutants into the waters of the State. Violation of Colorado water laws could result in enforcement actions taken by the State Engineer and/or the Colorado Department of Health.
