Mr. Burkey:

If the problem(s) have already been corrected, documentation of the corrective actions taken to correct the problem(s) must be submitted to our office.

Please see the enclosed inspection report issued as a result of a past inspection of this site. Problems noted in this report that remain unresolved, according to our records, are listed on the first page.

To avoid potential future enforcement actions for non-compliance with State Statutes, Rules and Regulations, and/or conditions specified in your permit for this site, you must submit compliance documentation with the corrective actions specified for each of the indicated problems by **Thursday, November 26, 2015**.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,
