**Re: Keenesburg Strip Mine (Permit No. C-1981-028)
Bond Release Application No. 8 (SL-8)**

Dear Mr. Boehms:

Coors Energy Company has applied for a bond release at the Keenesburg Strip Mine. The bond release application was found complete by this Division on November 12, 2015. The surface ownership is private, and the coal mined was state and private.

We will contact you to advise you of the Division's required bond release inspection of the site as soon as it has been scheduled. A proposed decision on the application will be issued within sixty (60) days of our inspection.

If you have questions or need additional information, please contact me.

Sincerely,
