**Re: Incas Mine, Permit No. M-1986-076, Extension Request Approval, Succession of Operator**

Dear Mr. Martin,

On November 24, 2015 the Division of Reclamation, Mining and Safety received a request for the extension of the compliance date for the filing of a Transfer of Minerals Permit, Succession of Operator. The request was filed to allow additional time for the prospective new Operator to complete and send in the packet. The request was for an extension of thirty (30) days, effectively changing the compliance date from December 15, 2015 to the new date of January 15, 2016.

The Division is approving your extension request for an additional thirty days for the Succession of Operator. The new compliance date will be January 15, 2016.

If you have any further questions please feel free to contact me at (970)-243-6368. Please direct any bonding related questions to Barbra Coria at the Division of Reclamation, Mining and Safety's Denver office, phone no. 303-866-3567, Ext. 8148.

Sincerely,
