**Re: Cooley Reservoir and Fulton Wildlife Area, DRMS File No. M-1999-034
Corrective Action Deadline Extension Request
Approval**

Dear Ms. Davis:

As requested in your December 7, 2015, email, the Division of Reclamation, Mining and Safety (Division) approves your request to extend the corrective action deadline for the problem cited in the July 2 and 9, 2015 inspection. The Division approved your extension request due to the reasons stated in your letter. The new corrective action deadline is January 29, 2016.

If you need additional information please contact me at the Division of Reclamation, Mining and Safety, 1313 Sherman St., Room 215, Denver, CO 80203, by telephone at 303-866-3567, extension 8131, or by email at Tyler.ODonnell@state.co.us.

Sincerely,

Tyler O'Donnell
Environmental Protection Specialist

cc: Wally Erickson, DRMS
