Re: Bowie No. 2 Mine (Permit No. C-1996-083)
Revision: MR-185
Revised Drill Hole Table

Dear Sir or Madam:

The Division of Reclamation, Mining and Safety has received an application for the above referenced permitting action for the Bowie No. 2 Mine. The application was deemed complete on December 21, 2015.

Minor Revision No. 185 proposes to revise and update the approved drill hole sealing information. The revised information reflects drill hole abandonment information submitted to the Division during October and November 2015. The applicant is not proposing additional surface disturbance outside of the area currently approved for disturbance.

Permit Revision (PR), Permit Renewal (RN), or Technical Revision (TR) application materials are available for review at the Paonia Public Library, 2 3rd Street, Paonia, CO 81428 and at the Division's Denver office. Minor Revision (MR) and Surety Release (SL) application materials are available for review at the Division's Denver office.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jason D. Musick", written in a cursive style.
