Dear Mined Land and Reclamation Board,

C&B Sand and Gravel Inc needs a one-time extension to the board order issued September 22, 2015. We need a one-time extension of 30 days in order to complete the application.

This is a family operation and the business has been extremely busy this fall, which is good. Also the application has required more details than expected. All of the above has caused us to take longer to complete the application.

Thanks for your consideration,

Donald R Corson Jr  
President
