

Morton Lakes 2015 Annual Report

Prepared for:
Ready Mixed Concrete Company

Prepared by:
Michael J. Hart, Hart Environmental

Permittee Name:	Ready Mixed Concrete Company (RMCC)
Permit Number:	M-2008-082
Operation Name:	Morton Lakes
Anniversary Date:	January 26, 2016
Annual Fee Due:	\$791.00
County:	Weld

RMCC's Morton Lakes Pit was actively mined during the 2014-15 reporting period of this Annual Report.

RMCC began mining Stage 1 of the Morton Lakes Sand and Gravel Pit in 2015. Also in 2015, the company began construction of the Morton Lakes sand and gravel processing plant on the western most extent of mining Stage 5 as shown on the DRMS approved mining plan. The attached map was prepared based on the operators mining and processing plant and site development activities in 2015.

In 2016 the operator intends to amend the DRMS Morton Lakes permit by combining it with permit M-2007-008 (Holton Lakes).
