Re: Norwood Pit M-1981-154, Response to Concerns raised by Mary Ann Gaston

Dear Russ,

We are in receipt of your letter dated January 5, 2016 in which you requested we address the issues Mary Ann's described in her July 6, 2015 letter specifically item # 6. To totally understand the issues described in item # 6 we will need to conduct a site visit. Due to the time of season we will not be able to provide an answer to Mary Ann's concerns by the February 2<sup>nd</sup> deadline. With that said, would like to request a 90 day extension to respond to your request. Please let me know if this time extension is acceptable.

Sincerely,

Jason Burkey
