RE: Larimer Pit Amendment Application, M1974-069, AM03
✓ Adequacy Review Response

Dear Eric,

Regarding the above referenced application to amend Permit M1974-069, Loveland Ready Mix Concrete, Inc. respectfully requests to extend the review period to February 29, 2016. We are requesting this extension to insure we properly respond to all of the adequacy review comments and address all changes that have evolved as a result of the City of Loveland Special Review process.

If you have any questions regarding this request or require additional information, please advise.

Thank you,

Stephanie Fancher
