Re: Breeze Basin Sand & Gravel Pit, Permit No. M-2008-022, Notice of Continuance

Dear Mr. Brennise,

On December 10, 2015 the Division of Reclamation, Mining and Safety (Division) mailed a Reason to Believe (RTB) a violation exists regarding your 112c Construction Materials Permit, No. M-2008-022. This matter was scheduled to appear before the Mined Land Reclamation Board during the January 26-27, 2016 hearing. On January 19, 2016 per our phone conversation you indicated that you are working with the bank to post the additional bond amount. In an effort to resolve this issue the Division is continuing the hearing to February with the desire to withdraw the action upon compliance.

This notice is to inform you that this matter is being continued and a Formal Public hearing will be held during the February 24-25, 2016 Board Meeting for consideration of the possible violation. The hearing will be held in Room 318 of 1313 Sherman Street, Denver, Colorado, beginning at 9:00 a.m. on February 24-25, 2016 or as soon thereafter as the matter can be considered. At that hearing you will have the opportunity to present your defense.

If the additional bond amount of \$7,190.00 is accepted by the Division on or before Friday, February 19, 2016 this item will be withdrawn from the hearing.

The Board's agenda may not be finalized until the week of the Board meeting. Therefore, we recommend you contact the Board's Secretary, Johnie Abad, at (303)-866-3567, extension 8136, on Monday February 22, 2016 to confirm the specific date for the hearing.

If you have any questions about this notice or the hearing, please contact Amy Yeldell at (970)-254-8511.

Sincerely,

Amy Yeldell
