On December 10, 2015 the Division of Reclamation, Mining and Safety (Division) mailed a Reason to Believe (RTB) a violation exists regarding your 112c Construction Materials Permit, No. M-2008-022. This matter was scheduled to appear before the Mined Land Reclamation Board during the January 27-28, 2016 hearing. On January 20, 2016 the Division sent a notice of Continuance for the matter to appear on February's agenda. On February 8, 2016 the Division received your Increased Penalty Rider however the form was incorrectly completed and could not be accepted as is. In an effort to resolve this issue the Division is continuing the hearing to February with the desire to withdraw the action upon compliance.

This notice is to inform you that this matter is being continued a Formal Public hearing will be held during the March 23-24, 2016 Board Meeting for consideration of these possible violations. The hearing will be held in Room 318 of 1313 Sherman Street, Denver, Colorado, beginning at 9:00 a.m. on March 23-24, 2016 or as soon thereafter as the matter can be considered. At that hearing you will have the opportunity to present your defense.

If the additional bond amount of \$7,190.00 is accepted by the Division on or before Friday, March 18, 2016 this item will be withdrawn from the hearing.
