Re: Fryrear Gravel Pit, Permit M-1998-071, Amendment Approval, Revision AM01

Mr. Fryrear:

On May 22, 2014 the Division of Reclamation, Mining and Safety approved the Amendment application submitted to the Division on February 27, 2014, addressing the following:

Expand permit from 40 acres to 80 acres

The terms of the Amendment AM01 approved by the Division are hereby incorporated into Permit M-1998-071. All other conditions and requirements of Permit M-1998-071 remain in full force and effect.

The estimated liability amount of \$47,000.00 will not be increased at this time. However, please be aware that if any additional acreage is disturbed prior to a corresponding amount of acres being reclaimed for release, the bond will need to be increased accordingly.

If you have any questions, please contact me.
