RE: High Mesa Gravel Pit; DRMS File No. M-2000-067; Receipt of Corrective Action
Documentation

Dear Mr. Bourassa,

The Division received your above referenced response in regard to the Compliance Problem cited in the report of the inspection conducted on January 12, 2016. The status of the corrective actions regarding these problems are as follows:

Compliance Problem 1: Improper storage and containment of fuels and/or other hazardous materials was present on site.

This problem is considered abated as a result of the Operator's submittal of a photo of the fuel tank being hauled from the site by the corrective action date.

If you have any questions, please contact me at (970)252-5025.

Sincerely,

Stephanie Mitchell
Environmental Protection Specialist
