RE: *The Pride of America Mine (Yule Marble Quarry), File No. M-1999-058, 112c Conversion Application Adequacy Review*

Mr. Miller:

The Division of Reclamation, Mining and Safety (Division) is in the process of reviewing the above referenced application in order to ensure that it adequately satisfies the requirements of the Colorado Land Reclamation Act for the Extraction of Construction Materials (Act) and the associated Mineral Rules and Regulations of the Colorado Mined Land Reclamation Board for the Extraction of Construction Materials (Rules). During review of the material submitted, the Division determined that the following issue(s) of concern shall be adequately addressed before the application can be considered for approval.

1. Maps C-4 and C-6 were not included in the packet. Please provide these.
2. Map C-5 (x-sections) appears to be mislabeled as C-4. Please confirm this is the case.

Please submit your response(s) to the above listed issue(s) by Friday, April 22, 2016 in order to allow the Division sufficient time for review.

The Division will continue to review your application and will contact you if additional information is needed.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,

Dustin Czaplá
