To: File

From: Dustin Czapla, DRMS

Date: April 13, 2016

RE: *Uncompahgre Pit, M-2013-007, Inspection Report Clarification*

In inspection reports dated August 12, 2015 and March 25, 2016 it was noted that the inspections were conducted in response to a citizen complaint. Mrs. Bernhardt has contacted the Division in order to clarify that her correspondence with our office were inquiries and not complaints. She has requested that this clarification be added to the file.
