Mr. McHugh,

Thank you for the notice. From looking at the documents available on the DRMS website, I gather that your original plan of operations was deemed to be beyond prospecting and that you are scaling back. Would you please give me a call or send me an email after you have submitted your Notice of Intent for Prospecting to DRMS?

Thank you,

John Deagan, AICP

Questions & Concerns

What is your question or concern?

G'day; I recently purchased mineral rights to the Puma City Mine, near Tarryall, and am submitting a Notice-of-Intent to the USFS and DRMS to open and prospect the mine. My activities will initially include camping, but intend to purchase land and construct a vacation cabin in the area. I am required to notify county commissioners, and provided certification of same. Please email reply for certification of submittal. Thank you for your time. David McHugh
