Dear Mr. Carmel and Mr. Beltramo:

As requested in your letter that the Division of Reclamation, Mining and Safety (Division) received on April 27, 2016, the Division approves your request to extend the decision deadline for the Permit Amendment No. 1 Application (AM-01). The new decision deadline for AM-01 is May 11, 2016.

If you are unable to provide satisfactory responses to any inadequacies prior to the new deadline, **it will be your responsibility to request an extension of time to allow for continued review of this application.** If there are still unresolved issues when the decision date arrives and no extension has been requested, the application will be denied.

If you need additional information please contact me at the Division of Reclamation, Mining and Safety, 1313 Sherman St., Room 215, Denver, CO 80203, by telephone at 303-866-3567, extension 8131, or by email at [Tyler.ODonnell@state.co.us](mailto:Tyler.ODonnell@state.co.us).
