***RE: The Pride of America Mine (Yule Marble Quarry), Permit No. M-1999-058, CN-1 Approval***

Dear Mr. Treves:

On May 4, 2016 the Division of Reclamation, Mining and Safety approved the Conversion application (CN-1) submitted to the Division on January 22, 2016, addressing the following:

*Conversion to 112c permit*

The terms of the CN-1 approved by the Division are hereby incorporated into Permit No. M-1999-058. All other conditions and requirements of the permit remain in full force and effect.

The estimated liability amount of \$404,857.00 exceeds the \$402,631.00 financial warranty currently held. If you have not already done so, please submit additional financial warranty in the amount of \$2,226.00. The revision will not be final until the financial warranty is received and approved by the Division.

Please make arrangements with Barbara Coria at the Division of Reclamation, Mining and Safety Denver Office, phone no. 303.866.3567, ext. 8148 for submittal of the financial warranty. Any questions regarding completion, execution and/or submittal of financial warranty forms should also be directed to Barbara Coria.

If you require additional information, have questions or concerns, please contact me at the DRMS Grand Junction Field Office.

Sincerely,

***Dustin Czapla***
